Start by going for your required courses for various subjects like Mathematics, English, Science, Physics, Chemistry, etc. In today's world, colleges and universities accept one's scores at admission, a photo, and an interview. However, the interview is meant to ease and get to know

more about the candidate. We all know the importance and significance of a college interview in today's world, but if you are serious and eager to grab yourself a seat in an educational institution then you better better your interview skills in a decent manner. Tips on Interviewing Technique Be on time. Don't consider yourself as late because you are this means you are also late. At many times, just few minutes of delay means, you would end up starting your research later. If you are late, then it will prove your laziness and unpreparedness. Also, it is important to be punctual. Rule the room. You have to take your seat and start with an introduction about yourself. This will give you to get to know you better and also help you to answer the questions better. It is important to listen attentively. Answer them but in a casual manner, in this way, you will be able to answer questions and make them satisfied. Do not be direct or personal. Try to be as soft as possible to the interviewers. You will not be able to get a major seat if you are not soft. Do not speak too much. This

Q: I want to pass multiple parameters to a Javascript function I want to create a dynamic action on the fly. The function is like this. I have a comma seperated string(parameter1,parameter2,parameter3) where I want to pass those parameters to the function.

```
function updateCriteria(){ var str='parameter1,parameter2,parameter3'; var strs=str.split(","); var my_array=strs.toArray; //I want to change the value of each variable here with the help of my_array. How can I do
```

that? } A: function updateCriteria(parameter1, parameter2, parameter3) { var my_array=parameter1.split(","); parameter1=my_array[0]; parameter2=my_array[1]; parameter3=my_array[2]; } Appeal For Badminton Tournament Badminton is a game played in a variety of different ways with two players on opposite sides of the court. Each player has a racket and their best strategy is to hit the string and stop your opponents strings from hitting the ground at all. The object is to get as many points as possible. In simpler terms, the ultimate aim is to score a kill.
